

ODS Clinic with Gigi Nutter

ODS is sponsoring two clinics with Gigi Nutter from Whitesburg, VA. Gigi introduced me to both the jumper and dressage world as an adult rider. She has an extensive background developing riders at all levels and is a long time protégé and certified student of Karl Mikolka and a student of George Morris.

Karl Mikolka – 2004

“This certificate awarded to Gigi Nutter in recognition of her tireless efforts to preserve and promote the classical principles of dressage for the past 35 years. In her teaching and her riding Mrs. Nutter has been acknowledged to be shining example for the younger generation of American dressage riders.”

George Morris – 1994

“I have been impressed with the quality of Mrs. Nutter’s teaching. Her pupils have good basics and are strong, tough minded people. She inspires riders not passengers”

The clinics will offer ODS members who volunteer at our events a discounted rate for either private or semi-private lessons. The events will be held at South Wind Stables Oct. 1-3 and Nov. 12-14.

The ODS member rates will be \$100 for a private lesson of approximately 50 minutes or \$65 for a semi-private session (horses and riders for semi-private lessons should be at a comparable skill level)

ODS members may volunteer at our recognized events in June and August as well as our schooling show in October and earn a reduced fee of \$5 per hour volunteered up to 50% of the fee of the lesson.

Registration for Gigi’s Clinic will be distributed in August and payment and commitments for the October clinic must be made by August 25th. The clinic will also be opened up to non-members at the full clinic fee.

Don’t miss your opportunity to volunteer and earn \$\$\$\$ off this clinic series!!

Chris Gemmel-Gnidovec

Gigi Nutter student – 1979-1991 and on going 😊
